

New for 2020/2021 Season!!!

BGSC Super Strikers Academy for U5-U7 Players

This brand new program will replace our former indoor gym/ScotiaBarn teams for our U5-U7 players.

Players will train in our Super Strikers Academy “Learn to Play” program that emphasizes fun and skill development in a girl’s only setting.

The program is divided into 3 phases:

- Fall Phase – 8 week session from September to mid-November
- Winter Phase – January to Spring Break
- Spring Phase – April to June

Players will train twice per week, one session will be mid-week in the early evening (field TBD) while the second session will take place at Riverway Sports Complex on Sunday mornings.

If Covid-19 restrictions are lifted the Winter Phase will take place indoors.

Players will be grouped by age and/or ability.

All players will receive a long sleeve training shirt and a new soccer ball as part of their registration.

Registration is through the BGSC website
