

POLICY - COACHING REQUIREMENTS

Purpose

To deliver the appropriate level of coaching to all BGSC players.

Background

Every player deserves the best coaching they can get and BGSC encourages its coaches to receive proper training and upgrading of their coaching skills.

Policy

BGSC encourages all its coaches to comply with the minimum level of coaching certification recommended by the Canadian Soccer Association Coaching Development Model (Community Sport Stream) and will give priority to placing coaches who are in compliance with the recommendations. Coaches of 'Gold' and 'Metro' level teams must comply with the Canadian Soccer Association recommendations.

Procedures

Coaches are responsible for obtaining certification on their own. Coaches will pay for the certification course(s) up front and, upon successful completion and presentation of receipts to BGSC's Treasurer, BGSC will reimburse for the cost of the course. Cost associated with obtaining certification greater than that recommended by the Canadian Soccer Association are subject to prior approval from the BGSC Executive Board.

From time to time BGSC may organize coaching clinics or certification clinics where all the BGSC coaches are invited to attend at no charge.
